Grace to you and peace in the Name of our Lord and Savior!
 It was just a couple of weeks ago that your Circuit Visitor Pr. Mark Lovett approached me about the possibility of serving in a vacancy position here at Bethany. I look forward to our time together, and hope to get to know each of you well! Please indulge me a few words to introduce myself.

My wife Donna and I have been happily married for 45 years. We have three very grown children, and nine grandchildren ranging in age from 2 months to 14 years. The youngest one, Kinsley, was a little bit difficult, so Donna spent much of the last three months in southern Missouri pampering daughter Suzi

by helping her and her husband with their two pre-schoolers. Thanks be to God, daughter Suzi and newest grandkid Kinsley are doing fine, and should receive medical releases from their doctors' on November 1. Part of my reason for relating all of this is to let you know that I will soon need a weekend away so that I might baptize her at her home congregation. (Thanks in advance for your kindness!)

The Lord works in wondrous ways – and so often in ways that are surprising to us! During nearly all of my 30+ years as a civil engineer (many of them here in Wichita) I did not consider that serving as a pastor would ever be my calling, and then that serving in the LCMS would be possible. Seeds are planted by the hearing of God's Word, and those seeds sometimes do not bear fruit for many years. In Isaiah 55 the words of our God come to us:

¹⁰“For as the rain and the snow come down from heaven and do not return there but water the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater,
¹¹so shall my word be that goes out from my mouth; it shall not return to me empty, but it shall accomplish that which I purpose, and shall succeed in the thing for which I sent it.”

As part of preparing to serve you during your call process I read the farewell message that you received last month in this newsletter from Pr. Schnelle. His words were filled with grace and concern for you – words that come from a pastor's heart. For your pastor is charged with your spiritual welfare and well-being – your *Seelsorge* in the German.

He wisely identified the only true source of that health: God's Word. The Daily Prayer readings for today included a passage from Deuteronomy 29. The Children of Israel are preparing to enter the Promised Land, and Moses is warning them against abandoning the covenant that God had made with His people. They had not chosen Him; He had come to them with His Word spoken through the mouth of His prophet Moses. The land was to be theirs, but they were to remain with Him. They were to heed His Word, and not abandon it. Walking away from God would lead to their tragic downfall.

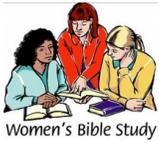

This is the consistent story of God and His people from the beginning of time. This Word has come to you also in the person of Christ. He continues to come to you through His holy Word and the Sacraments. This is the only source and norm for teachings and guidance for God's people. This is life and salvation. I so look forward to the privilege of bringing you the Word during this time we will have together. May God grant us His blessing and peace as we live in His presence through that Word.

There is a lot of **behind the scenes work** that is done for our *worship services, Bible Studies, Children's and Youth Ministries, greeters, ushers, altar guild, music ministry*, and so many more ministries that we need help with. Most of these do not take much time out of our busy schedules to be part of. **Is God calling you to be part of something but you don't know where to start?** Be an usher! Prepare the communion! These are very important jobs that only require a little bit of you. Please contact an elder listed in this newsletter to see where YOU can be of service to God's kingdom.

Trustees Report

Members of Bethany, Wishing you all a Happy Halloween!!!

News-worthy notes...

Our insurance broker, Stan Miller, has performed well beyond expectations and we have received final payout from the storm damage in December '21. With that payout we actually are financially whole from the repair costs! Praise be to God! With costs steadily rising, we can use the funds to offset a large deductible on future claims. Another blessing!

As our facility ages (like us all), we need to try and do repairs before they become large expensive outlays.

We are trying to formulate a "list" of items that need attention and attack those with some sort of priority.

If you see items that could be on that "list", please visit with myself or Robert Ohmie. We will do our best to stay ahead of repairs. This year we encountered several large repair items that could not be foreseen.

Several faithful donors stepped up with donations that did not impact our overall budgets. Another blessing!

We are thankful for each and every member and their faithfulness to God and Bethany!

Food for thought.... 1 Corinthians 1:9

Until next month, Peace. Mark Welty and Bethany trustees.

Early Childhood Center Update

Bethany's ECC keeps sailing along... Our enrollment dipped by a few kiddos just recently, as some moved on to USD 259, but we continue to have a dedicated number of children and families to serve.

We are instituting a small increase in our tuition rates beginning with the first of November: A \$15-a-week increase is something people can handle, and we need the extra income to pay for some raises for our dedicated Teachers. We are fortunate that our staff is really pretty stable, and we aim to keep them with us.

That said, Anne Easton, who has worked as a Teacher's Aide for us since late June, has decided to move on so she can work much closer to home. So, we are going to look for a new Teacher's Aide, but for now we are okay with the current balance of staff-to-children ratio.

As always, THANK YOU for your support, and please keep praying for us!!!

For Bethany's Early Childhood Ministry,
Jim Merrick

Stewardship Team update:

Here is the budget summary report thru September.

Total contributions for 2022 thru September were \$181,502.

There were 62 households that contributed this year with the top 12 giving half of the total contributions.

The costs for office staff & building operations thru September was \$149,642.

The expenses for Pastor's salary & benefits plus church supplies was \$91,709.

Total expenses were \$241,351 which means a deficit of \$59,849.

This was partially offset by the transfer of \$38,633 from the "Call Pastor" fund and the "Assistant to Pastor" funds which are now closed out.

We will have to find a way to downsize next year to stay within our projected income.

Any questions, contact Roger Obermueller, Steve Nienke or Robert Bolin.

Thank you for your continued Time, Talents & Treasures stewardship to Bethany.

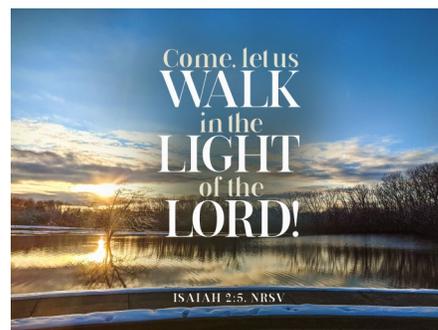

Time and Talents: Anyone who would like to help with Altar Guild, Greeters, Ushers, Quilting, Help with Sunday School or other ideas to spread God's word, please let someone know (*Pastor, Elders, Team leaders or the church office*) Your ideas and input are greatly appreciated.

(update on condition after fall and broken hip and hand). As of today I am at a rehab hospital that is called "Bethany at Silver Lake". It is located in Everett, WA, which is where Sid came when he started working for Boeing and it was his first introduction to the Seattle area.

I miss you all, but the reason we are going to move here is just for this reason-so that Sally will be able to help us out when we have our *health challenges*. Thank you all for your prayers and cards!

I love you all! Sandy

Bethany's Community Garden

The Garden is still producing thanks to the volunteers, especially Vickie Collins, for their dedication. The plants were covered during the early freeze and they are still picking lettuce, spinach, dok choi, snap peas, cherry tomatoes, kumquats, and peppers. *If anyone knows the best recipe for kumquats, let us know.*
